Mosaic Chart Directory for Knitting and Crochet

75 Geometric Designs
Anna Nikipiowicz

Mosaic crochet and knitting is an easy, versatile colorwork technique allowing the maker to create stunning patterns without having to carry multiple strands of yarn per row. Although it looks impressive, the techniques are easy to learn and fun to do. There is a section at the beginning which looks at both mosaic knitting and crochet techniques with step-by-step photography and instructions so you can brush up on your technique. Every design starts with an introduction followed by a guide with colourwork charts and photography showing both knit and crochet samples.

Crochet Illusion Blankets

15 Patterns for Optical Illusion Crochet Blankets, Afghans and Throws
Helen Smith

These cleverly designed geometric blankets look impressive but are actually simple to make because the designer only uses one technique, intarsia crochet, and simple stitches. There are 15 different designs in a variety of sizes from smaller throws through to large afghans. The patterns are written out in full and there are large charts for each of the designs for crocheters who prefer to follow charts. All of the patterns use the crochet intarsia technique and there instructions for how to prepare your yarn in separate balls before you get started so you don't end up in a tangle. There are also step-by-step instructions for how to do the crochet intarsia stitch including advice on changing colour.

Demystifying Double-Knitting

Nathan Taylor

Master the art of double knitting to produce reversible, double-layered, multi-coloured knits. In its simplest form, double knitting is a form of colour work that creates a dual-layered, two-sided fabric, without there being an unattractive or float-ridden 'wrong side'. It is therefore different to any other knitting technique and can mystify novices and experienced knitters alike. *Demystifying Double-Knitting* takes the mystery out of the process with step-by-step explanations of the key techniques, illustrated with detailed photographs. Once the fundamentals are mastered, you can then learn to move beyond basic stocking stitch and introduce texture, shaping and even non-mirrored designs to your work. Whether you're new to the technique or simply want to understand it better, this book offers an accessible introduction to double knitting and a celebration of the creative opportunities it offers.

\$44.99 Paperback 245 x 190mm 144pp 230299

Retro Crochet

Vibrant Vintage-Inspired Looks from the 70s, 80s, and 90s

Ashlee Elle

Styles from the 1970s through the late '90s are hot, and crocheting vintage-inspired designs is taking off in a big way. Designer, model and photographer Ashlee Elle has built up a passionate fanbase through her Dream Crochet shop and Instagram where she shares her colourful, one-of-a-kind throwback outfits. Now, with this book she guides the reader to learn how to create their own fun pieces. This comprehensive book features designs that will take you on a crafty journey from 1970s to the '90s. Bringing original and timeless crochet designs forward with a fashionable modern twist, this guide will show how to create handmade accessories and clothing that'll make you stand out in the crowd.

Colour at Work

Kate Davies & Felicity Ford

In this book for thinkers and makers of all kinds, Kate Davies and Felicity Ford interrogate and celebrate that most unruly of creative concepts – colour. This is not a book in which you will find any so-called colour theories or illusory quick fixes for your chromatic questions. Rather, in a series of lively, engaging and beautifully-illustrated essays, Kate, Felix and their friends around the world generously share the ideas and approaches that have helped them to develop ways of working with colour that are curiosity-driven, bold and fun. Colour is the rich resource with which we knit and stitch and document the story of our time on earth. With your own creative hands, how will you make colour work?

Threads of Treasure

How to Make, Mend, and Find Meaning Through Thread

Sara Bernes

This book helps embroidery fans abandon the hustle culture and realize that life is about treasuring what's important. *Threads of Treasure* features interviews with 14 creative stitchers who share photos of their creations that encourage readers to incorporate empowering concepts into their stitching. Three step-by-step projects, personalized to the reader's own preferences, teach you how to: • Treasure and display your life's meaningful special objects. For instance, a special token of a favourite moment like a seashell, an event ticket or a trinket from childhood. • Treasure your worn and well-loved things, like your favourite garment, with mending and adornment (while also treasuring our environment). • Treasure your small everyday moments – sit still, breathe deeply and enjoy the making process – by creating a daily practice.

Rags to Rugs

30 New Weaving Designs for Repurposed Fabrics

Tom Knisely

Tom Knisely explores the weaving possibilities of a variety of fabrics, from T-shirts and jeans to quilts, linens, towels and more. He shows you the techniques he uses to get the most from each piece and gives advice on how best to set up your loom for weaving with rags much thicker than your typical weaving thread. First, look at the author's 30 beautiful rugs and read through each project for the wealth of information he's included on the materials used and options you might try to create a similar rug. He shares exactly what he chose for each project, but the drafts are adaptable to what you have on hand or can source from friends, family and thrift stores. Once you've gathered and prepared your materials, refer to the section on rug weaving basics for a refresher if needed and some very helpful tips, and you are on your way!

\$61.99 Paperback 280 x 215mm 132pp 230598

Pocket Book of Weaving

Claire Gelder

Perfect for complete beginners, the author clearly explains everything you need to know about weaving: choosing and using different looms; how to make and successfully warp a loom; a selection of weaving stitches; and how to remove your material from the loom. It is structured as a simple 3-step course that will help you progress from bronze to gold as your skills and confidence grow. Before you know it you'll be weaving a stripy bookmark, stylish wall hanging and pompom flower bag on a rectangular loom, and chic coasters, a statement wall hanging and a vibrant flower power motif on a circular loom. Filled with positive affirmations and beautifully illustrated, this wonderful book is the ideal introduction to weaving for a complete beginner.
