

All-New 20 to Make: One-Patch Quilts

Carolyn Forster
 Carolyn Forster presents 20 different patchwork shapes, from triangles and diamonds, to tumblers, clamshells and apple cores, each made up into an attractive one-patch design. For each you get:
 • A full-size template, ready to trace off and use
 • Piecing instructions to help you put together your one-patch designs with ease
 • Layout variations to inspire you to use each shape in numerous ways
 • Clear photographic visuals showcasing Carolyn's chosen layout and fabric. A complete quilting primer makes this book accessible for beginners, with advice on scaling the templates up and down, and both hand and machine sewing. Also included is a complete one-patch quilt project, with full making-up instructions.

Fibre Arts

Marking Time with Fabric and Thread

Calendars, Diaries, and Journals within Your Fiber Craft
Tommye McClure Scanlin
 Using weaving, stitching, quilting or other fibre arts every day to better notice the passing of time offers you more than an arresting artwork. In fact, a creative daily practice transforms your making and is likely to become one of your favourite parts of the day. But time is complicated, so how to begin? This book answers that question for all makers who love working with fabric, fibres and textiles. Well known for her tapestry diaries, she explores with you how to capture your own time in your artwork.

\$80.00 Hardback 255 x 205mm 198pp 240614

Textile Seascapes

Alison Whateley
 This practical book is packed with instruction and ideas for the textile artist wanting to learn free-motion machine embroidery to create a seascape with fabric and stitch. As well as essential information and practical advice, it features three original step-by-step guides to coastal-inspired projects, which explain how to build a scene and capture the mood of the sea. Stunning finished examples show how you can develop your skills and confidence to create works in your own individual style.

Bojagi: The Art of Korean Textiles

Youngmin Lee

Youngmin Lee gives you comprehensive step-by-step instructions on traditional bojagi techniques and materials and provides a history of the art form in Korean culture – which dates back to the Joseon dynasty – where it continues to occupy a prominent place in the daily lives of Koreans. Learn hand stitch techniques, seam finishes and decorative motifs on a range of materials from ramie, hemp and cotton to silk and naturally dyed, eco-printed materials. Youngmin introduces a variety of beautifully illustrated projects, with a modern twist – from gift wrap to wall hangings to cushions and clothing – whilst always being true to ancient Korean textile traditions.

Sewing Rolls, Needle Rolls and Huswifs

150 Years of History and Tradition

Dawn Cook Ronningen

This book is a visual feast, exploring a diverse collection of sewing roll, needle rolls and huswifs (small hand-made textile sewing kits) from 1780-1900. Examples include a variety of materials and techniques from rare 18th century embroidery to unusual one-of-a-kind textile examples. The pages are filled with history, vivid high-resolution photography and detailed descriptions. In many cases, the detailed photos are larger than the actual antique example. Note that this is not a pattern book with projects, but a fascinating and detailed study of these historical sewing items.
